

YOUR SAFETY IS OUR PRIORITY

While waiting for the reopening of Les Barmes de l'Ours on the 10th of December, we wanted to share with you all the measures which will be applied within the hotel

Hand sanitize, masks (mandatory for the staff and for clients), gloves will be at your disposal in the different areas of the hotel.

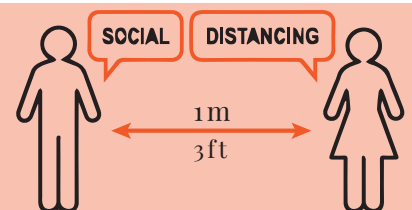

Public areas and rooms are daily cleaned and disinfected following a specific sanitary protocol.

Our staff has been alerted and trained to the new health and safety conditions and process.

Social distancing is constantly respected in all the hotel areas.

* These measures are evolving according to health recommendations
